

JACKY WU 胡晉杰

We believe that a design is the result of a tri-party relationship between the designer, the client and the space. We believe that good design is timeless in both function and aesthetics. We aim at enabling a space to reach its maximum potential while being perfectly adapted to its owner's taste and lifestyle.

Success & Associate Engineering Co Ltd 成功行工程有限公司

(SA), was established in 1987 and has built up a professional team of almost 30 staff. A Hong Kong-based interior design and construction firm, it provides creative interior design solutions and fitting-out works for both residential and commercial interiors, as well as parts of hospitality projects. SA's Projects have achieved various awards, including Emerald Green Sales Office (Perspective Awards 2010), Emerald Green Show Flat (Asia Pacific Property Awards 2011), and Suncrest Tower Residential (2011 China's Most Successful Design Awards).

成功行工程有限公司自1987年於香港成立，我們擁有一班專業團隊達30多人，我們是一間提供創新概念的室內設計及裝修公司，當中不乏住宅及商業項目設計，亦有部份酒店及教育項目。本公司於去年更榮獲「透視設計大賞2010」獲獎作品為「翹翠峰售樓處」，「亞洲太平洋地區設計獎」獲獎作品為「翹翠峰示範單位」。及「中國成功設計大賞2011」獲獎作品為「桂濤苑住宅」。
